Heger Proudly Sponsors 2nd Annual Blood Drive Benefiting the L. A. Children's Hospital

On May 18th, 2009 the Heger Company hosted their 2nd Annual blood drive benefiting the Los Angeles Children's Hospital. Every year, nearly 11,000 children are admitted to their hospital. Caring for these children requires 2,000 units of blood or blood components each month. A special thanks is extended to all who helped make this event a success. For information on this worthwhile cause, please go to the giving section of their website at www.childrenshospitalla.org.

For more information on Heger's next philanthropic event, please contact either Eileen Arebalo or Bobbi S. Morrison at (323) 727-1144.
