## PRESS RELEASE – NOVEMBER 30, 2009

### The Heger Company joins Annual Run For Her 5K in Los Angeles

On November 15th, members of The Heger Company participated in the Annual “Run For Her 5K” run and friendship walk in Los Angeles.

Run For Her was created to increase awareness of ovarian cancer and raise much-needed funds for research. Proceeds benefit the Cedars-Sinai Women's Cancer Research Institute (WCRI) at the Samuel Oschin Comprehensive Cancer Institute. WCRI, directed by Dr. Beth Karlan, is a multidisciplinary program aimed at accelerating bench-to-bedside cancer research through comprehensive, compassionate, and cutting-edge cancer care.

The event was a huge success with over 4,000 people participating in the event and close to \$750,000.00 raised to support ovarian cancer research and awareness this year! Additional information can be found at: [www.runforher.com](http://www.runforher.com)
